### A message from the CEO

Happy New Year Priority Postal family!

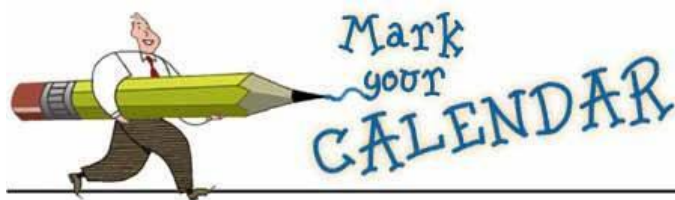

Wow! What a year 2020 was, right? It was trying times to say the least but we made it through. I'm sure we can all agree that we are ready to move into 2021 for a fresh start. However, I would be amiss if I didn't recognize the lives lost during this pandemic. Please know that my heart is with every one of you that had to endure the loss of a loved one or is still battling this terrible illness. Warm hugs to you.

As for the credit union, Ruby and I are excited to get the year started. We have fresh new ideas to grow our membership and new products/services to unveil.

We look forward to a successful 2021!

Take care,

*Jennifer Key*
